

Advanced Summer School in Physics 2019

Physics Department, Cinvestav Zacatenco, CDMX,
from July 22nd to 26th

Registration deadline: May 31th

Courses:

Today's superconductivity

Dr. Rafael Baquero Parra

**A collection of successes of the Standard Model
of Particles in Physics**

Dr. Pablo Roig Garcés

**Time in classical and quantum mechanics and
discrete operators**

Dr. Gabino Torres Vega

Solid State Physics: an interactive approach

Dr. Carlos Vázquez López
