

Mexico – European Union Cooperation

Jessica Urueta Quiroz

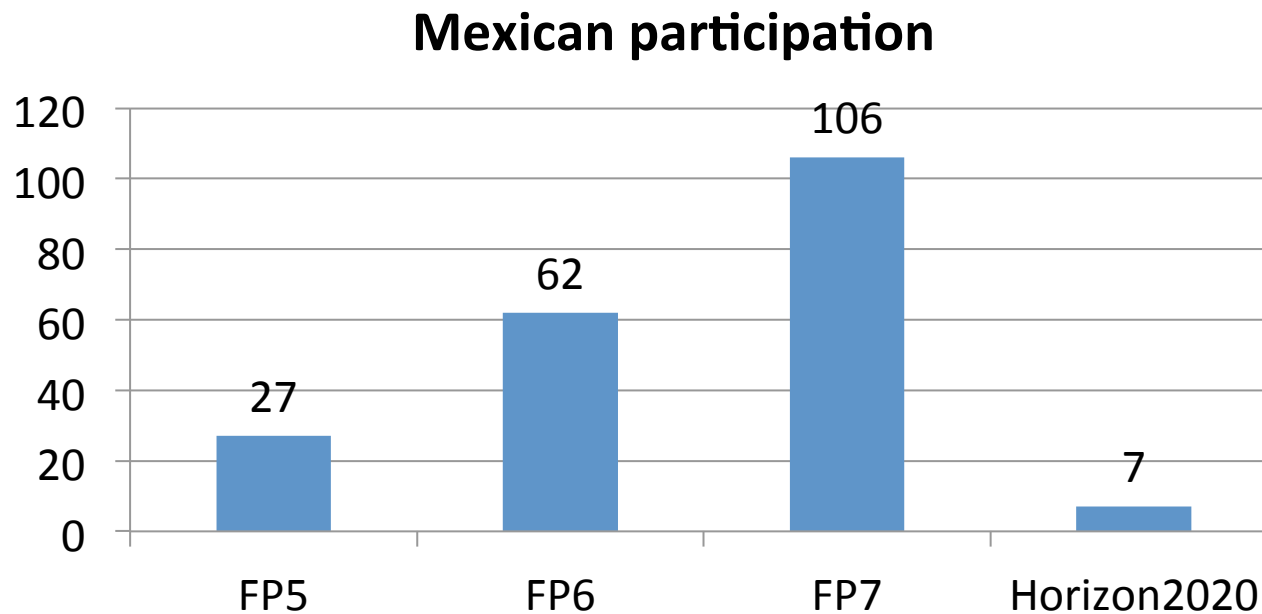

CONACYT

Joint Steering Committee Meeting

- Mexico – CONACYT and NCPs or other institutions
- European Commission – Direction of International Cooperation and other DGs
- Discussion over the main common cooperation topics
- Roadmap towards collaboration

Background: Participation in consortia since the FP5

Horizon 2020

- Main Cooperation Programme in the world, with 80 billion euros invested
- Mexico was the first matching fund
- So far, we have funded 5 projects on ICT, health, energy with over 35 million pesos
- ICT – 38
- Geothermal energy: 20 million euros

Bilateral cooperation

- Some of the main strategic partners for Mexico in STI are in Europe: France, UK, Spain and Germany.
- Bilateral calls:
 - Newton fund – UK
 - CDTI – Spain
 - DAAD, BMBF – Germany
 - ANR – France
 - CNR – Italy

¡Gracias!
